5 STATEMENT OF FACTS

6 The complainant states that this complaint is based upon statements in the investigative
7 reports by the apprehending U.S. Border Patrol Agent A. Hernandez that on February 27, 2008,
8 the defendants, natives and citizens of Mexico, were apprehended near Seeley, California, along
9 with (2) two other undocumented aliens from Mexico, in violation of law.

10 On February 27, 2008, at approximately 8:12 A.M. the Calexico, California, U.S. Border
11 Patrol Station's radio dispatch relayed to agents a concerned citizen phoned in and reported a
12 white sedan just loaded up with possible illegal aliens in the area of Ocotillo, California.

13 Agent Hernandez was in the area and observed a vehicle that fit the description of the
14 possible load vehicle. Agent Hernandez observed the sedan as having a Baja California license
15 plate of BED1574. To further investigate this sedan and its occupants, using the emergency
16 lights and siren on her Border Patrol vehicle, Agent Hernandez attempted to stop the sedan. The
17 driver, later identified as Miguel Angel ROSAS-Lopez, failed to yield to Agent Hernandez.

18 A controlled tire deflation device was successfully deployed against the sedan, yet
19 ROSAS still failed to yield to agents. After driving for approximately one mile on two flat tires
20 the sedan finally stopped. The four occupants attempted to abscond from the sedan but were
21 quickly stopped by agents. The agents identified themselves as Border Patrol Agents to the
22 occupants and questioned them. It was determined the occupants are all citizens of Mexico
23 illegally in the United States. ROSAS and the three others were arrested and transported to the
24 Border Patrol Station

25 It was determined one individual of the group identified as Apolonio LOZANO-Sanchez
26 was the individual who guided the group through the mountains into the United States from
27 Mexico.

1 ROSAS was advised his rights as per Miranda. ROSAS stated he understood his rights
2 and was willing to answer questions without an attorney present. ROSAS stated he was taken to
3 the mountains where he met the guide of the group and eight other individuals waiting to cross.
4 ROSAS stated he did not know the driver or the others in the group and he was told not to say
5 anything if caught.

6 LOZANO was advised his rights per Miranda. LOZANO stated he understood his rights
7 and was willing to answer questions without an attorney present. LOZANO stated he made
8 arrangements with a smuggler known as "Grenas" to be smuggled into the United States illegally
9 and "Grenas" offered him free passage if he agreed to smuggle 10 groups of illegal aliens into the
10 United States. LOZANO agreed to do this. LOZANO stated he learned the route from another
11 guide called "Chupepe". LOZANO stated he had crossed with seven other groups. LOZANO
12 stated on two of the crossings he and his group were apprehended by Border Patrol. LOZANO
13 stated he was given a radio by "Grenas" to be used while he was guiding the group. LOZANO
14 stated on this occasion he started out with four individuals to be guided but two of them turned
15 back to Mexico because they could not keep up, leaving LOZANO and two others to continue.
16 LOZANO was told by "Grenas" a white Grand Marquis was going to pick him and the group up.
17 LOZANO stated only he and the other two aliens he guided got into the vehicle and the only
18 other person inside the vehicle was the driver. LOZANO stated after the sedan stopped the driver
19 was the one who told them all to run. LOZANO stated he has seen the driver on two previous
20 occasions when he successfully smuggled groups into the United States.

21 LOZANO was shown a six pack photo line up and positively identified photo number 5,
22 ROSAS, as the driver of the sedan.

23 Material Witnesses, Alfonso VILLAREAL-Mora and Jose Luis JIMENEZ, both stated
24 arrangements were made in Mexico to be smuggled illegally into the United States for a fee.

25 Both VILLAREAL and JIMENEZ were shown two six-pack photo line-ups and identified
26 photo number 5, ROSAS, from the first photo line-up as the driver of the sedan. Both VILLAREAL
27 and JIMENEZ identified photo number 3, LOZANO, from the second photo line-up as the
28 individual who guided them through the mountains to the sedan.

The complainant states that the names of the Material Witnesses are as follows:

<u>NAME</u>	<u>PLACE OF BIRTH</u>
Alfonso VILLAREAL-Mora	Mexico
Jose Luis JIMENEZ	Mexico

Further, complainant states that Alfonso VILLAREAL-Mora and Jose Luis JIMENEZ are citizens of a country other than the United States; that said aliens have admitted they are deportable; their testimony is material, it is impracticable to secure their attendance at the trial by subpoena; and they are material witnesses in relation to this criminal charge and should be held or admitted to bail pursuant to Title 18, United States Code, Section 3144.
